Mini News

News For The Employees of Data General

September 28, 1984

There Is Still Time

Tickets Are Available For "Salute To Employees" Night

The enthusiastic response to the "Salute To Data General Employees" evening planned for Sunday, October 14 has been overwhelming. But, if you haven't sent in your request for tickets as yet, you can still do so. Just send your request to the Mail Stop indicated on the response envelope which accompanied the invitation.

Data General is hosting the event in celebration of its first billion dollar year, expressing appreciation to you, the employees who have contributed to the company's success. More than 7,000 employees from throughout New England and their guests have been invited to attend.

The setting is the Centrum in Worcester featuring singer/songwriter Neil Sedaka who promises a program that will get everyone singing.

No Invitation?

If you have not yet received an invitation to the "Salute To Data General Employees" celebration, call extension 4712 in Westboro. Your request for tickets will be handled over the telephone.

Has Your Address Changed?

If you have recently moved and found that your "Salute To Data General Employees" invitation was mailed to your old address, now is a good time to update your Employee Profile Document (EPD). Notify your manager or supervisor of your present address.

Are You a Registered Voter?
If not, look inside to become eligible to vote November 6.

Trip To London

Ever thought of a trip to London? As a special way of saying "thanks" Data General will award 39 employees and their guests with a trip to London beginning on Tuesday evening, November 13, and continuing through Sunday, November 18.

Winners will be chosen at random at the "Thanks a Billion" celebration. All regular full-time and part-time employees on the payroll in early October will be eligible.

Highlights will include a tour of London; a West End tour including the changing of the guard and a visit to Westminster Abbey.

To achieve a fair distribution of winners throughout Data General, trips will be awarded as follows.
• One from each of these facilities: Westboro, Southboro, Milford, Westbrook, Portsmouth, Clayton, Apex, RTP, Austin, Sunnyvale and Colorado Springs.
• Three from Field Engineering and three from Sales/Systems Engineering/Systems Division in each of the four areas in the United States.
• Two from Canada.
• And one from each of Data General's European subsidiaries.

At The Centrum

Employees will be seated by facility. As reply cards are received at each facility, they will be date-stamped. Requests will then be sent to the Centrum in Worcester for actual seat assignment.

Once the Centrum has assigned seats, tickets will be sent to the respective facilities. They will then be distributed in cafeterias the week before the event.

Don't miss out on this special night. You helped make it possible.

Employees Impressed By New Portable Personal System

"Amazing"..."I don't believe it"..."Wow!", were but a few approving comments expressed by Data General employees at Westboro when they were introduced to the DATA GENERAL/One Personal System in the cafeteria last Thursday. The new full-feature personal computer, weighing just nine pounds, was formally presented that same day at Avery Fisher Hall in New York City to about 2,000 customers, industry analysts, and trade and business editors. At left, Marketing Specialist Ed Rosenbaum explains how the system performs all the functions of larger, heavier desktop personal computers.

1985 Holiday Schedule

The 1985 Data General holiday schedule includes nine scheduled holidays and, again this year, the tenth day will be a personal holiday. One personal holiday per calendar year is available to each permanent employee who joined the company before July 1 of that year.

The scheduled holidays are:

January 1	Tuesday	New Year's Day
May 27	Monday	Memorial Day
July 4	Thursday	Independence Day
July 5	Friday	Day After Independence Day
September 2	Monday	Labor Day
November 28	Thursday	Thanksgiving Day
November 29	Friday	Day After Thanksgiving
December 24	Tuesday	Christmas Eve
December 25	Wednesday	Christmas Day

Holidays remaining in 1984 are:

November 22	Thursday	Thanksgiving
November 23	Friday	Day After Thanksgiving*
December 24	Monday	Christmas Eve*
December 25	Tuesday	Christmas Day*
December 31	Monday	New Year's Eve*

Field Engineers will take these as floating holidays, following Field Engineering policy.

Anyone who has not taken a personal holiday for 1984 must do so before the end of the year or lose it. Personal holidays do not carry over to the next calendar year. Also, if you leave the company you will not be entitled to pay in lieu of the holiday.

Systems Engineers Cited At First Annual Conference

The First Annual Systems Engineering Technical Symposium took place in Boca Raton, Florida last week, honoring nearly 70 systems engineers from throughout North America for their outstanding accomplishments and contributions during fiscal year 1984.

Michael Schatzberg of Melville, New York was cited as Data General's Systems Engineer of the Year. National Sales Manager Denny Olmsted presented Michael with a DESKTOP GENERATION Model 10/SP computer.

Charles Healey of Birmingham, Alabama; *John Helm* of Sunnyvale, California; *Kathy Hacmac* of Minneapolis, Minnesota, *Peter Ting* of Toronto, Canada; and *Chris Girolamo* of McLean, Virginia were also recognized for their accomplishments. Each received cash awards.

Guest speaker Dr. Michael Brady of MIT spoke on Artificial Intelligence and Robotics.

Other speakers included Data General President Ed de Castro; Frank Silkman, senior vice president of Worldwide Field Engineering; Dave Chapman, senior vice president of Manufacturing; Tom West, vice president of Systems Development Division; Jim Barnes, vice president of Peripherals Development; Bill Bentley, vice president of North American Field Engineering; Michael Schneider, vice president of Customer Service; and Frank Keaney, vice president of North American Sales and Systems.

Next year's conference will be held September 11-14 at the Sheraton Harbor Island East in San Diego, California.

Honored at the conference were:

Data General Introduces New Tempest Workstation

Data General introduced this week a new Tempest workstation, the DASHER D460T, that has the leading price/performance features among multipurpose Tempest workstations. Basic prices for the new workstation start at just over $4,000.

The DASHER D460T workstation is a smart terminal with both alphanumeric and character graphics. It combines DASHER and industry-standard compatibility in a compact, economical and reliable gate-array-based design. It is on the U.S. Government's Preferred Product List.

The DASHER D460T workstation lets users create and intermix business graphs, diagrams and other application-unique graphics with normal alphanumeric text.

According to government reports, more than $12 billion per year is spent on automated data processing-related activities by the federal government.

The DASHER D460T terminal brings a wide range of benefits to commercial, technical, and scientific applications. It has been designed to promote productivity not only for the end user, but also for the system integrator and the applications developer.

Employee News

Looking for a career change? The following positions are open and have been publicized in the Data General career opportunity listings.

If you would like to apply, contact your manager and Personnel representative.

Training Specialist (Marketing Education) E 10 Westboro

Train Sales representatives, systems engineers, and trainees in selling techniques, business analysis, and other related skills. Candidates must have excellent presentation skills and be comfortable in leading role-playing exercises.

Requirements: At least six years of sales and/or training experience in the high technology industry and a bachelor's degree. Data General experience is highly preferred.

Personnel contact: Joe Rich, extension 4606 in Westboro (MS B 139).

The following positions are open in the Systems Division in Cambridge:

Department Manager (Communications Software Development) E 12/13

Manage multiple software development projects (communications, networking, and/or device drivers). Assist Marketing and Sales in bringing in new projects. Supervise eight to 15 software engineers.

Requirements: Minimum of six years development experience, including project management and BS/MS in computer science. Data General hardware and software knowledge is essential, as well as excellent writing and communications skills.

Personnel contact: Emily Atkinson, extension 4539 in Westboro (MS F 134).

Senior Software Engineer (Communications) E 10

Design and implement real-time control software for major industrial automation project. Requires minimum of four years relevant experience and a BS in computer science or electrical engineering . Knowledge of Data General assembler, operating systems and device drivers is essential.

Personnel contact: Emily Atkinson, extension 4539 in Westboro (MS F 134).

American Express Is Corporate Credit Card

Data General has chosen American Express as the corporate credit card for frequent travelers and is instituting a corporate credit card program beginning on October 15.

Employees eligible for the card should have received information and an application. Employees who travel six times a year and/or incur $2500 in business-related expenses are eligible.

Anyone who is eligible and has not received an application may contact Phyllis Prager at extension 5581 in Westboro.

The American Express card will be for business use only and will cover hotel, meal, airline and car rental expenses when traveling in the United States or internationally. Airline and car rental reservations, where possible, will continue to be made through Corporate Travel and Meeting Services.

This new Corporate Card System provides more convenience and offers improved benefits to both the traveler and the company.

For the traveler, advantages include a worldwide accepted multi-purpose credit card; company payment of the credit card fee; the elimination of use of personal or family credit cards; consolidation of business expenses on a single monthly bill; reduced need for carrying cash; the facilitation of hotel reservations; and check cashing privileges.

For Data General, the system will allow for easy generation of reports for travel analysis; reduce cash advances; and improve administrative procedures.

Users of the American Express card issued through Data General will report all charges made with the card as "employee paid" expenses on their Expense Report. The employee will then receive and pay a single monthly American Express bill.

Westboro

People

In Finance...

Bob Banks has been appointed Customer Service Division (CSD) controller, reporting to John Gardner, controller of Worldwide Field Operations. He provides financial support to CSD management and directs and develops financial organizations that support Educational Services, Systems, Special Systems, and Continuing Products.

Before joining Data General in March 1982 as Information Systems Division controller, Bob was with Revlon Corporation and Digital Equipment Corporation.

Bob earned an MBA from Wharton College, Pennsylvania, and a BA in economics from Lincoln University. He also is a Certified Public Accountant.

Senior Accountant **Helen Halchak** joins General Ledger as a supervisor, reporting to Manager Terr Brosnan.

Prior to joining Data General Helen was with Healthco, Inc.

Helen earned a BS in accounting from Bentley College.

In Manufacturing...

Marketing and Sales Information Systems welcomes **James Coleman,** an associate systems programmer, reporting to Chen-How Lee, manager of Technical Support Services. Jim supports corporate Marketing and Sales application systems and the CEO Comprehensive Electronic Office environment.

Jim is a recent graduate of Framingham State College with a BS in computer science.

In TPD...

Business Planning welcomes **Elizabeth Rentmeesters,** a senior business planner, reporting to Manager Prafulla Sudame. Elizabeth provides analytical support to marketing groups.

Before Data General, Elizabeth was an instructor at the University of Pennsylvania and before that senior programmer with Xerox Corporation.

Elizabeth holds an MBA in general management and strategic planning from Wharton Graduate Division at the University of Pennsylvania, an MS in computer science from Carnegie-Mellon University and a BS in mathematics and computer science from the University of Wisconsin.

In CPD...

Senior Marketing Program Administrator **Mike Dodier** joins the Continuing Products Division (CPD), reporting to CPD Marketing Manager Paul Faria.

Mike comes to CPD after three years as a Data General field engineer in Providence, Rhode Island. Prior to Data General he was with Raytheon Data Systems in Boston.

Mike is enrolled in a bachelor's degree program at Bryant College in Smithfield, Rhode Island.

In Educational Services...

Eductional Services Sales/Marketing welcomes **Deborah Flammia,** Product Marketing manager for Packaged Products. Deborah oversees marketing of self-study courses, Technical Information and Publications Service (TIPS), and Computer Aided Instruction Authoring Systems. She reports to Bill Benner, Educational Services National Sales/Marketing manager.

Debbie comes to Data General from Interactive Data Corporation where she was project manager for developing and planning new products.

Debbie holds an MBA from Boston College and a S from Boston University.

Michael Cadden, Lecture/Lab Product Marketing manager, joins Educational Services Sales/Marketing, in charge of product plans and new course identification. He reports to Bill Benner, Educational Services National Sales/Marketing manager.

Before joining Data General Mike was program manager for new business opportunities at Texas Instruments.

Mike earned a BA from Boston College and is presently in his last semester of MBA studies at Boston University.

Marie Nardi joins Educational Services Marketing as an associate marketing communications specialist. She edits an Educational Services quarterly newsletter and writes articles for internal newsletters and external trade publications.

Marie earned a BS in journalism from the Boston University School of Public Communication.

The Education Center at 2400 Computer Drive welcomes Software Instructor *Brian Garney,* reporting to Software Section Manager Bob Pittman. Brian conducts courses in operating systems and FORTRAN.

A recent graduate of Worcester State College, Brian holds a BS in mathematics with a concentration computer science.

Documentation Design welcomes Technical Editor *Kathleen Moran,* reporting to Manager Carol Koundakjian.

Kathleen was a self-employed writer/editor, developing training manuals for the health care industry, prior to joining Data General. Before that, she was the public education coordinator for the Kennedy-Donovan Center in Foxboro.

Kathleen earned a BA in English from Chestnut Hill College in Pennsylvania.

Dee Gee's Extends Hours To 8 P.M. Today

To accommodate employees who will be working tonight, the end of fiscal '84, Dee Gee's Deli will remain open, serving dinner until 8 p.m.

Milford

People

In Marketing and Business Planning...

Competitive Analyst *Michael DiPietro* joins Marketing and Business Planning, reporting to Larry Lapide, manager of Market Decision Support. Mike conducts on-going competitive analysis for use in the development of Field Service marketing services and programs for sales support materials.

Before Data General Mike was a market research analyst with International Data Corporation, assigned to the Customer Services program.

Mike holds a BS in marketing from Suffolk University.

In Field Engineering Technical Services...

Bill Rooney joins Field Engineering Technical Services as manager of Media Production and Distribution, reporting to Field Engineering Technical Services Manager George Tuthill. Bill manages media production, micrographics, Field Engineering records and distribution functions.

Prior to Data General he was supervisor of technical operations for Raytheon Data Systems.

Bill earned a BA at Northeastern University.

PRIDE Circle Day Is October 10 In Milford

"Appreciation of the Past - Skills for the Future" is the theme for PRIDE Circle Day at Milford on Wednesday, October 10. All Data General employees are invited to attend the activities planned, with approval of their supervisors.

The day's agenda will include a meeting of all interested employees at 1 p.m. in the cafeteria. John Thompson, manager of Corporate PRIDE Circle Administration and Quality Training, will speak on the merits of PRIDE Circles and how they work.

Five informational seminars will be offered for past and present Circle members. They will include: Cost Benefit Analysis by Larry Johnson; Histogram Diagrams by Gerry Riley; Team Building by John Thompson; Indirect Influence by Walter Koenig, and Presentation Skills by Karen Crandall.

The seminars are designed to meet the needs of the expanding PRIDE Circle program in Milford.

Half-hour long mini-workshops also will be conducted in the non-smoking section of the cafeteria. Topics to be covered are:
• A Description of the Present PRIDE Circle Program at Milford

- Personality Management
- Cause and Effect Diagrams
- Criteria Matrix Use
- The Jo Hari Window and Feedback Models
- Listening Techniques and Non-Verbal Communication
- Prioritization Methods
- Brainstorming Techniques

Mini workshops are designed to demonstrate skills used in the program and share those skills with members and employees who may be interested in joining a PRIDE Circle.

Fall Courses Offered By Educational Services

Educational Services is offering the following software and hardware courses to Data General employees. All courses are held at 2400 Computer Drive, and run from one to five days. Supervisor's approval is required prior to registration.

For additional information call Central Registration and Information at extensions 4079 or 4096 in Westboro.

Courses include the following:

Begins	Course #	Course Name
10/1	H100	Data General Computer Architecture
	DC1	Introduction to Data Communications
	S102	NOVA Assembly Language Programming
	S107	COBOL Programming with INFOS II
	S219/VS	AOS/VS SYSTEM MANAGER
	SH100	RDOS Operator Training
10/2	OA150	CEO Rev. 2.0 Enhancements
10/3	S220	XODIAC System Manager
10/8	H101	Diagnostic Operating System User
	H105	NOVA 3 Field Maintenance
	H121	ECLIPSE S140/ NOVA 4 Field Maintenance
	S127	COBOL Programming with DG/DBMS
	S304	RDOS System Programming
	SH109/VS	AOS/VS Operator Training
10/15	H148	ECLIPSE MV/4000 Field Maintenance
	H305	NOVA 3 Component Level
	OA141	Getting Started with CEO Word Processing
	S105/VS	ECLIPSE MV/Family Assembly Language Programming
	S306	INFOS II Utilization and Design

10/17	OA143	Introduction to CEO Mail and Calendar
10/18	OA142	Advanced CEO Word Processing Topics
10/19	OA147	CEO List Processing
10/22	H288	Data Communications Maintenance
	H402	Advanced Maintenance Technology Using AOS and AOS/VS
	OA150	CEO Rev. 2.0 Enhancements
	S105	ECLIPSE Assembly Language Programming
	S209	AOS and AOS/VS User
	S309/VS	AOS/VS System Programming
	S316	DG/DBMS Utilization and Design
	SM231	System Security and Data Integrity
	SM330	Database Design
10/29	S219/VS	AOS/VS System Manager
	SH109	AOS Operator Training
	SM130	Introduction to Ada Concepts and Programming
10/30	SM412	AOS/VS System Performance Workshop
11/1	S221	Managing CEO System Resources (Tech)

Benefits

Questions On Auto And Homeowners' Insurance?

All questions concerning the automobile and property insurance payroll deduction program may be referred to Marsh & McLennan Group Associates in Westboro at extensions 4601, 4603 or 4607.

Registered To Vote?

If you are not a voter or have recently moved into the state and would like to vote in the November 6 election, the time to register is now. Voter registration for the general election closes Tuesday, October 9.

To register visit your town or city clerk with some form of identification or proof of residence. You will be asked to complete a registration affidavit. Questions regarding voter registration procedures may be answered by calling your city or town clerk or Public Affairs at Data General, extension 4718 in Westboro.

Three New Records
Set In Dasher Road Race

Charlie Galligan and Betsy Anderson out-distanced participants in Data General's Sixth Dasher Road Race and broke all previous records in the 10 kilometer road race held last Friday. Charlie finished first in 34:02 minutes and Betsy's time was 40:40.

In the biathalon Eric Engberg broke his own record with a time of 1:02:07. All three top finishers are from Westboro.

Charlie, Betsy and Eric were among nearly 300 Data General employees who participated in the five races.

Race Committee Chairman John Foley attributes the success of the event to the participation of racers, committee members and volunteers.

Here are the results:

BICYCLE Team Results
Based on first 4 digits of Cost Center - 3 person teams - average for all

Place	Team	# of Team Finishers	Average Time

Weekend In New York
Plans In The Making

"New York, here we come," is what the Data General Activities Committee is singing as plans are being made for an exciting weekend in the "Big Apple". See next week's *Mini News* for details.

Summer Outing Season
Comes To A Close

The 1984 Data General summer outing season ended last Saturday with more than 4,000 employees, their families and friends enjoying a hot and sunny day at Riverside Amusement Park in Agawam, Massachusetts.

The ever-popular flume attracted the usual hundreds of riders, along with the three roller coasters, the Loop and the Cyclone.

Hundreds of barbecued chickens with all the fixin's were enjoyed from noon until 4 p.m.

Come To The Faire

The Sixth Annual King Richard's Renaissance Faire in Carver, Massachusetts, will feature music, dancing, jousting matches, food and drink, all in the spirit of the Renaissance era. The faire will be open weekends now through October 14.

Discount tickets for adults are available through the Data General Activities until October 2.

Looking For
Candlepin Bowlers

Employees who enjoy candlepin bowling are asked to join the group that meets Wednesday night 5:30 to 7:30 at Town and Country Bowl on Route 9, Shrewsbury.

Anyone interested is asked to contact Mona Bigusiak at extension 6578 in Westboro or Dick Tucker at extension 2451 in Milford.

Data General
Basketball League

All captains interested in entering a team in the Data General Basketball League must attend a meeting in the Westboro cafeteria at 5 p.m. Tuesday, October 2. Questions may directed to David Horne at extension 7538 in Southboro.

Sign Up Now For Informal
Chess Club Tournament

The Data General Chess Club is planning an informal tournament starting October 4, continuing through the following six consecutive Thursdays. Games will take place at 5 p.m. in the main cafeteria at Westboro.

Players will participate in all six rounds, each time meeting a new opponent with the same running score. Pairings will be announced by mail on the Tuesday preceding the next scheduled round. A prize will be awarded to the winner.

To enter the tournament, send your name to Craig Presson at MS E111 in Westboro before September 28. There is no entry fee. For additional information contact Craig at extension 3036 or Mike Roman at extension 6550 in Westboro.

Ski The Alps in March -
Meeting Today In Guest Marketing

If you have dreamed of skiing the Italian and French Alps here is your chance. The Data General Ski Club is planning an eight-day trip to Courmayeur, Italy, March 8-16, 1985. Courmayeur lies at the head of the Aosta Valley in the shadow of Europe's highest mountain, Mount Blanc.

Skiing begins with a ride on the Alps' largest cable cars. There is a selection of skiing serviced by 25 lifts connecting 60 miles of trails. Airfare is $649 and accommodations vary with hotels selected.

A meeting to discuss the trip will be held today at 5 p.m. in Guest Marketing Room A in Building 14B in Westboro. A film of the area and all it offers will be shown. Brochures will also be distributed, along with hotel costs and other information. Write to the Data General Ski Club ITALY at MS C223 in Westboro for more information or to register.
